

Repair & Service Centers

Capabilities

FLUID POWER | PROCESS PUMPS | HOSE | BELTING | AUTOMATION & ELECTRICAL | MECHANICAL

Motion Industries keeps your industry in motion by providing professional services to customers with 52 strategically located repair and service facilities throughout the United States and Canada, providing 24/7/365 customer service.

Designed to deliver fast, quality service, our repair and service centers are fully equipped to handle field services and repairs using the latest testing equipment available. All repairs are performed by qualified Motion Industries experts, highly experienced in the repair of hose, liquid transfer pumps, electrical, mechanical and fluid power services.

Once components are serviced, they are fully tested for performance, repainted, capped and properly boxed for shipment. This process is standard for every component that comes through our service centers, ensuring that each Motion Industries customer receives the highest level of repair service.

Motion Industries is an active leader committed to keeping industry in motion. Our quality products, strong systems and exceptional customer service support companies throughout North America.
