APPLICATION – FRIGATE SHIP

LOUIS ALLIS Saves Customer \$1,000,000+ with Motor Repair Option

A shipyard needed their 325 HP Auxiliary Propulsion Motor repaired. Considering Louis Allis was the original manufacturer of their motor and it was a specialty design, very few companies would have been able to repair it besides Louis Allis.

Building a new motor would have come at a tremendous price! However, through the ingenuity of Louis Allis, they were able to repair the motor and save the client over \$1,000,000.00 when compared to the price of a new motor.
